# ABOUT US

We specialize in restoring vehicles with great precision and window tinting on cars as well as commercial buildings.

Whether you need a hand car wash or window tinting, Vaughan drivers trust us to do high quality work every time. We use the latest tools and techniques to take care of your vehicle so it preserves its value, enhances your safety and makes your car look amazing.

Because our team has mastered the processes of paint correction, applying Plasti Dip, removing scratches, applying paint sealant, window tinting and car detailing, Vaughan drivers know their vehicle will come back fresh.

**Auto Boss is a great place to get your windows tinted! I got my second car tinted with their crew and another job well done. They are very professional, treat you with respect and they make sure they do a good job that is exceeding your expectation! Any issues I had they fixed and I highly recommend them. Check out their website, send them an inquiry and they will respond! Great job Auto Boss! 5 STARS!**
